Marley Moore has inspired people all around the world by her strength, determination, and her beautiful smile! She was recently diagnosed with a brain tumor. Although she suffered other complications from the surgery to remove the tumor, Marley is going strong and fighting every day to get better. Marley is regaining her strength so she can walk, run, skip, and dance again with her Mom, Dad, and big sister, Mia. Although it may take time for her to make those steps, we can take those steps in Marley's honor!

Although Marley lives in Kansas City, she still remains closely connected to this area. Her mother was born and raised in Tracy, and even graduated from Tracy High. Marley's papa and uncle continue to work in Tracy, as well as being involved in a local church. Marley has touched many people in this area. This is a chance for our community to give back to her!

Please continue to pray for Marley and follow her recovery at <http://www.caringbridge.org/visit/marleymoore>
